The season will begin on Saturday, April 30th. June 4th will be the last day of the season. The emphasis will be on learning the fundamental skills of the game. Coaches will pitch to the players. We are looking to schedule more games this season. Expect to travel to other towns for some games. MRD does NOT provide transportation.

Note: We expect that registration numbers may warrant two teams at this level. This will be determined after the registration deadline. If you can help coach, please let us know on the registration form! Thank you!

Major League (4th, 5th and 6th): Teams will practice 2 or 3 times per week. Games could be any day of the week and we will play surrounding Carroll County towns. Travel to these towns will be necessary, and MRD does NOT provide transportation. Feel free to carpool. Games are more competitive and the major focus is on gaining experience and developing fundamental skills. Players will pitch.

Note: This game level requires greater skill, is faster and is more aggressive than the Instructional league. Stealing and sliding will be introduced.
